Fire the Quartz Stone

7, Cleaning stone after mixing detergent with water

8, Basically, the high quality quartz stone can be wiped clean after fire.

 **NEWSTAR STONE**

A hand is holding a rectangular sample of white stone with a fine, speckled pattern. The stone has a glossy finish, reflecting light. In the bottom right corner, there is a logo consisting of a stylized 'S' inside a square, followed by the text 'NEWSTAR STONE' in a bold, sans-serif font.
